

Benefits for Fellows and Members from ACA

- **Special Pricing on ACA Webinars and On-Demand CE**

ACA Fellows & Members receive a discount on all webinars - live and on-demand and home studies.

- **Vaccine Administration Training for Technicians**
- **Vaccinating Adults, Adolescents and Children Training for Pharmacist (20 hrs)**

To receive the member price, ACA Fellows, Pharmacists, and Pharmacy Technician members should first register as a non-member. After creating a profile on the payment screen, enter the discount code **strongertogether** to receive the training for \$285 (Pharmacists) or \$175 (Technicians).

- **Special Pricing on ACA Compounding Training Courses**

ACA Fellows & Members receive a \$100 discount off the 1st attendee and a \$150 discount off additional attendees to the same class.

- **Special Pricing on ACA Conferences and Regional Meetings**

ACA Fellows & Members have numerous opportunities to network and to receive continuing education at our conferences. ACA Fellows & Members also receive discounts on registration.

- **Members Only emails**
- **Member to Member Directory**

The ACA Member2Member Directory provides Contact Information for current ACA Members & Fellows to assist members in networking and referrals.

- **Video Resources**

A selection of past ACA webinars are available for members to view on-demand at no charge.

Special Benefits for Fellows Only

- **Free Quarterly CE**

Each quarter, ACA Fellows will be offered the opportunity to complete a pre-selected CE program at no charge.

Click the title below to claim your free CE for this quarter. No code is needed—you will have to register with the same email & password that you use for your ACA members only account (find them here: acainfo.org/my-account/). You will also need your NABP number to complete your registration.

- **Discount on Fellowship in the American College of Veterinary Pharmacists**

ACA Fellows save \$150 off **each** membership fee (\$300 per year) when they apply for fellowship in ACVP and remain in good standing in both organizations.

- **Family Discount**

The second Fellow in the same family saves 50% off membership fee (\$250 per year) when both fellows remain in good standing.

- **Listing on the [ACA Pharmacy Locator](#)**

Patients and other healthcare professionals can search for pharmacies with ACA Fellows by location and/or service or specialty. To submit or update your listing, click the button below.
